

## THE WORKSHOP

The workshop is designed for professional chain saw operators such as commercial arborists, municipal park maintenance personnel, utility line clearance specialists, highway maintenance personnel, firewood cutters, loggers, and others; but it is open to the public as well.

The session will address the following:

Safety: PPE, Hazards, Handling

Maintenance: Parts, chains, oil, sharpening, cleaning

Operations: Basic Felling cuts and techniques.

A workshop booklet will be provided to each attendee

## UTAH COMMUNITY FOREST COUNCIL ISA – UTAH CHAPTER

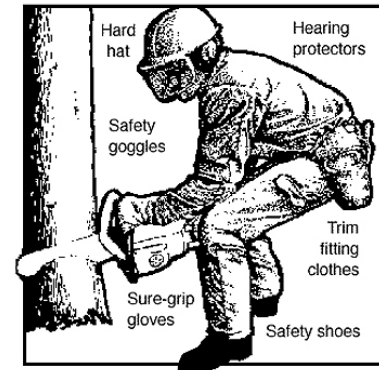

Announces

# 2010 Chain Saw Workshop

Thursday, March 25, 2010  
8:00 am – 4:30 pm

Utah Botanical Center  
725 South 50 West  
Kaysville, UTAH

Featuring Craig Christensen &  
Dave Hale of Trees, Inc. and  
Rocky Mountain Power Vegetation  
Management

Clipart courtesy  
University of Missouri

The Utah Community Forest Council and the Utah Chapter of the ISA are proud to once again sponsor the Chain Saw Workshop this year.

Dave Hale and Craig Christensen have over 40 years of combined experience in the vegetation management industry. They are both ISA certified arborists and have Utility Specialist certification from ISA.

The training will cover the basics of chain saw safety, maintenance, and operations.

Lectures, demonstrations, hands on exercises, pictures, videos and hand-outs will be used for this workshop.

6 CEU credits will be issued to ISA Certified Arborists.

The workshop will be held Thursday, March 25, 2010, at the Utah Botanical Center, 725 South 50 West in Kaysville, UT.

The Utah Botanical center is accessed off I-15 at Exit #328, turn East after exiting. Precede Eastbound approximately four blocks to Main Street and turn South. Precede South a few blocks and veer to the right onto 50 West. Continue on 50 West until you see the Utah Botanical Center signs on the side of the road. Follow the long driveway (Sego Lily Dr.) East up to the Utah Botanical Center. Park where available near building.
