# **FRUIT TREE PRUNING WORKSHOP**

**Tuesday, March 21st, 2023**

**10 a.m. to 1 p.m.**

**CHERRY HILL FARMS  
490 North 400 East  
Santaquin, UT 84655**

This workshop will focus on fruit tree pruning, maintenance, and care of fruit trees. The instructor will be Ray Rowley with Cherry Hill Farms. The Rowley's have been in the fruit tree production industry for generations and grow one of the largest fruit orchards in the state. Ray is going to take us on a tour of the orchard and share his knowledge of some of the more common fruit tree varieties including, apples, peaches, cherries, and apricots. He will show us their methods for production fruit farming as well as how to prune and care for private fruit trees.

Please carpool, if possible, as we will be touring the orchard which spans several miles so logistically it might be tricky if we don't carpool.

**Cost: \$60 per person for UCFC members  
\$75 for Non-UCFC members  
No lunchbreak.**
